Re: Arizona Game & Fish Commission Position on I-10 Phoenix/Tucson Bypass Study

Dear Governor Napolitano:

The purpose of this letter is to inform you of a recent position taken by the Arizona Game & Fish Commission (AZGFC) regarding the I-10 bypass. On December 7, 2007 the AZGFC took a position of opposition to the proposed I-10 bypass described at several recent public meetings. The AZGFC recommends that all possible infrastructure upgrades of the current I-10 freeway be taken into consideration prior to moving forward with the construction of an I-10 bypass.

Sincerely,

Michael M. Golightly, Chairman
Arizona Game and Fish Commission
